Introduction

Welcome to the new Funding Directory, which has been sent to you electronically as an adobe file. We hope it will help your fundraising efforts. It is entirely free to members.

The funders shown are simply a selection of potential funders, . It is not by any means an exhaustive list We have, therefore, also included a section on web resources for you to do further research. Please do not send off any applications until you have verified all the criteria of a particular funder by following the link to their website. We can not take any responsibility for the accuracy of any entry although we have taken every care to try and get it right.

General Funders

Local Food programme (run by the Royal Society of Wildlife Trusts) - this programme opened to applications on 17 March 2008. It funds a range of organisations who want to deliver a variety of food related projects to make locally grown food more accessible and affordable to local communities. For more information visit www.localfoodgrants.org.

Community Spaces programme (run by Groundwork UK) - this programme opened to applications on 19 March 2008. It funds community groups who want to improve local green spaces such as play areas, community gardens, parks, wildlife areas and village greens. For more information visit www.community-spaces.org.uk.

Community Sustainable Energy programme (run by Building Research Establishment) - this programme opened to applications on 7 April 2008. It will pay for community-based organisations to install renewable energy technologies (such as wind turbines and solar panels) and energy saving measures (such as roof and cavity wall insulation). For more information visit www.communitysustainable.org.uk

Access to Nature programme (run by Natural England) - this programme is due to launch in spring 2008. It will fund a range of organisations who want to encourage people from all backgrounds to learn more about and enjoy the natural environment. For more information visit www.naturalengland.org.uk/accesstonature.

Ecominds programme (run by Mind) - this programme is due to launch in spring or summer 2008. It will fund a range of groups who want to encourage people with experience of mental distress to get involved in environmental projects, such as improving open spaces and wildlife habitats, designing public art and recycling. For more information visit www.ecominds.org.uk

Natural England—Access to Nature. To encourage people from all backgrounds to understand, access and enjoy our natural environment. Details from: [Www.naturalengland.org.uk/accesstonature](http://www.naturalengland.org.uk/accesstonature)

Prince's Trust Community Cash Awards

Community Cash Awards are grants of up to £5,000 to help young people set up a project that will benefit their community. Website: [http://www.princes-trust.org.uk/Main%20Site%20v2/14-30%20and%20need%20help/grants%](http://www.princes-trust.org.uk/Main%20Site%20v2/14-30%20and%20need%20help/grants%20)

The Yapp Charitable Trust

The Yapp Charitable Trust makes grants to small registered charities in England and Wales, whose annual expenditure is less than £60,000. Charities must have been fully constituted and operating for at least three years. Grants are for core running costs and salaries and are to provide continuation funding for established work only.

Website: www.yappcharitabletrust.org.uk

The Village CORE Programme

The Village Core Programme supports the establishment of community owned shops in rural communities in England that can become viable and sustainable community enterprises. This includes the establishment of a new community owned shop or saving an existing shop by transfer to community ownership. The programme provides a start-up grant of up to £20,000 per new enterprise conditional on at least equivalent contributions being raised from the village community and through a loan from Co-operative and Community Finance, a recognised Community Development Finance Institution (CDFI).

Details from: <http://www.virsa.org/index.cfm/villageshop/Programme>About>
